

## Bottles, amber and clear borosilicate glass, GLS 80 wide screw neck, ISO 3685, with graduations and retrace code

01

Manufactured from borosilicate 3.3 glass to ISO 3685.

These bottles have a wide screw thread neck with an inside diameter of 65mm, allowing easy and safe filling, mixing and removal of powders, media, granules and fluids. Each bottle has a polypropylene GLS 80 quick release closure and is printed with a retrace code allowing web access batch certificates of conformity.
